

REFLECTION-BREEZE

Table Service Point of Sale

POWERFUL

The REFLECTION™ BREEZE is powered by the most feature-rich software of any product in its class. A 1.6GHz Atom processor provides excellent performance and a 15" display gives you the space you need to design easy-to-use screens for managers and employees.

FLEXIBLE

This system is designed for a wide variety of restaurant concepts including Casual Dining, Fine Dining, Pizza Delivery, Bars and Nightclubs. The REFLECTION™ BREEZE has the functionality to meet the demands of any restaurant operation.

SECURE

The REFLECTION™ BREEZE features an embedded operating system that eliminates the risk of software viruses and spyware. You can rest assured that the REFLECTION™ BREEZE will be ready to perform when you need it.

EXPANDABLE

The REFLECTION™ BREEZE is scalable from a single, stand-alone terminal to a chain of restaurants with a network of terminals at each location. Sales and Labor information can be consolidated at a central office using Restaurant HQ.

The REFLECTION™ BREEZE includes interfaces to a wide variety of peripherals to meet the requirements of any restaurant operation.

- Credit/Gift Card Processing
- Barcode Scanner
- Change Dispenser
- Kitchen Video
- Liquor Dispenser
- Electronic Scale
- Video Surveillance

SIMPLE. AFFORDABLE. SOLUTIONS.

RELIABLE

Solid State

Moving parts are a recipe for trouble. The REFLECTION™ BREEZE uses compact flash memory rather than a traditional hard disk drive, improving reliability and reducing maintenance. The POS-BREEZE is fanless, reducing the amount of dust and grease that enter the terminal.

No Single Point of Failure

The REFLECTION™ BREEZE is equipped with the most sophisticated, terminal-redundant network on the market. Using the integrated high-speed Ethernet, all system information is replicated on every terminal across the TCP/IP network. If a terminal is removed from the LAN, all information is automatically synchronized when the terminal reenters the network.

Software Specifications/Features

- 30 Major Groups
- 256 Departments
- 9,999 PLU's
- 8 Size Levels per item
- 9,999 Employees
- 8 Pay rates per employee
- 8 Order Types (Eat-In/Take-Out)
- 8 Meal Periods (Lunch/Dinner)
- 499 Discounts/Coupons

¹ Requires optional third-party processing

² Requires optional PC Workstation software

Hardware Specifications

CPU	Intel Atom 1.6GHz
Memory	1G
Display	15" TFT
Resolution	1024x768
Tilt Angle	0° ~ 70°
Brightness	250 nits
Touch Panel	5 Wire Resistive
Storage	Compact Flash
Interface	3 RS-232 DB-9F (COM1/COM2 selectable +5V or +12V) 4 USB 2.0 2 PS/2 (Keyboard/Mouse) 1 RJ11 12V Cash Drawer 1 15-pin Male VGA 1 RJ45 10/100Base-T LAN
Weight	7.0kg / 15.4lb
Dimensions	17.7" (w) x 12.1" (h) x 10.0" (d)
Compliance	FCC / CE / WEEE / RoHS
Operating Temperature	5° ~ 40°C (41°~108°F)
MSR	3 Track
Customer Display	2x20 VFD (optional)
Wall Mount	VESA 100x100mm
